₹5.66 Cr Lost in Hyderabad 'Digital Arrest' Scam!

A 69-year-old woman, Bharati Bai Agarwal, from Hyderabad's Basheerbagh, and her two daughters lost ₹5.66 crore to scammers posing as TRAI, CBI, and RBI officials. On November 13, 2024, the fraudsters accused her Aadhaar-linked number of money laundering and drug trafficking. Claiming the family was under "digital arrest," they used fake CBI and RBI documents and staged footage to pressure them into transferring their savings for "verification," promising a refund.

Over 20 days, the victims made 14 transactions, transferring ₹5.66 crore from their accounts to nine others across various banks. The scammers coached them on how to justify the transfers to bank officials. The fraud was discovered on December 8 when Bharati visited the CBI office and learned the documents were fake. A complaint was filed with the Telangana Cyber Security Bureau, and authorities are tracing the money trail while investigating the organized group behind the scam.

STORY TIME

ECONOMIC IMPACT OF THE MAHA KUMBH MELA: A BOOST TO INDIA'S ECONOMY

The Maha Kumbh Mela, the world's largest religious gathering, is expected to significantly boost the Indian economy. According to the Assocham, this six-week event in Prayagraj is already driving consumption in sectors like transportation, hospitality, and FMCG, particularly benefiting MSMEs. The influx of 400 million devotees is creating a surge in demand for goods and services across various states.

The economic impact is substantial. The Confederation of All India Traders (CAIT) estimates that the Mahakumbh will generate over Rs 2 lakh crore in trade. This includes a significant contribution from Delhi, with goods and services worth approximately Rs 40,000 crore expected to be supplied. The event is creating numerous employment opportunities in sectors such as transportation, hospitality, construction, and security.
